Step 4: Plot Selection	5
Step 5: Assign Resources	6
Step 7: Mark as Done	9

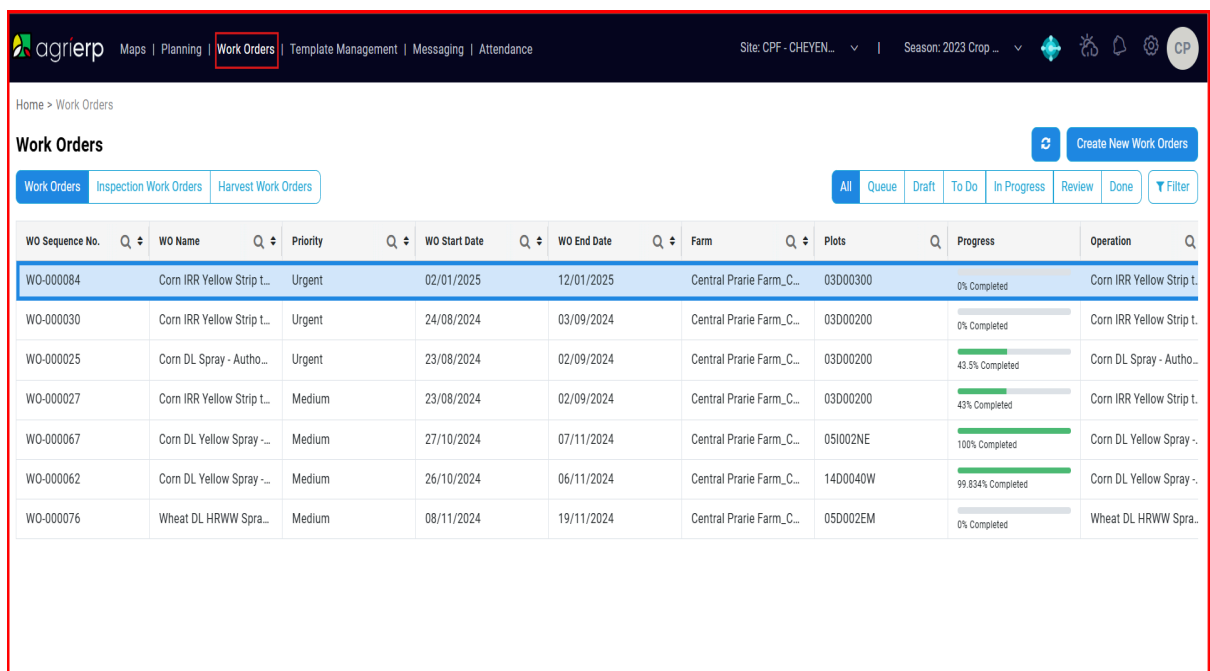

Adhoc Inspection Workorder process for Web

Step 1: Access the Web Application

- Open a web browser and navigate to the designated URL:
[AgriERP URL](#).
- Enter credentials of your user
Username: **Enter your username**
Password: **Enter you password**
- Click on the login button

Step 2: Create an Inspection Work Order

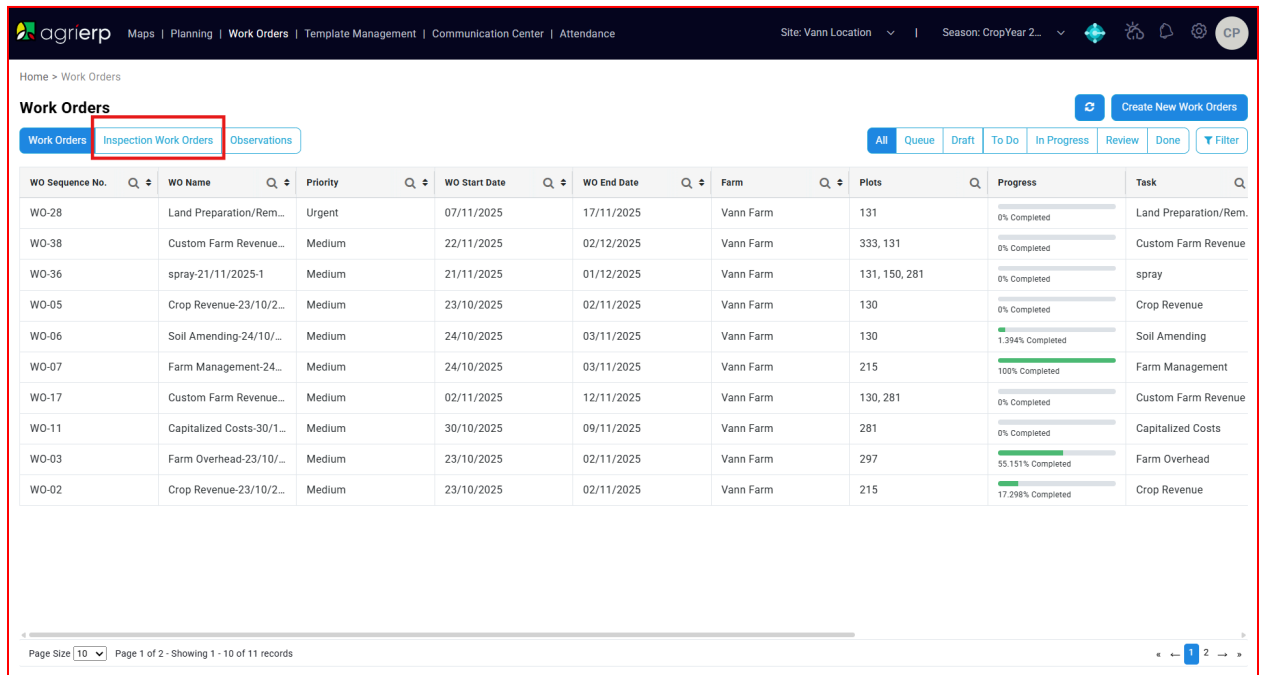

- From the main menu, click on the Work Order tab.

The screenshot shows the AgriERP web application interface. The top navigation bar includes 'agrierp' logo, 'Maps | Planning | **Work Orders** | Template Management | Messaging | Attendance', and user/site information: 'Site: CPF - CHEVEN...', 'Season: 2023 Crop ...', and a user profile 'CP'. Below the navigation bar, the 'Work Orders' section is active, showing a list of work orders. The table has columns for WO Sequence No., WO Name, Priority, WO Start Date, WO End Date, Farm, Plots, Progress, and Operation. The first row is highlighted in blue.

WO Sequence No.	WO Name	Priority	WO Start Date	WO End Date	Farm	Plots	Progress	Operation
