Work Order process for Web	3
Step 1: Access the Web Application	3
Step 2: Create a Work Order	3
Step 3: Define Work Order Details	4
Step 4: Plot Selection	4
Step 5: Assign Materials, Resources and Assets	5
Step 7: Mark as Done	10

Work Order Approval Process from Web

Step 1: Review the Work Order

- After the work order is completed on the farm mobile app, return to the farm web application, select that work order and click on the eye icon. The work order will be opened, now you can review the details before approval.
